BALLONI HALLE

The heart of our venue is the 500 m² BALLONI Halle. This historic crane factory offers everything required of a major event space. It can be darkened and transformed, is equipped with state-of-the-art lighting, sound, and projection technology, and features full air conditioning with filtered fresh air.

BALLONI SAAL

From our atmospheric courtyard, you enter the 140 m² BALLONI Saal on the first floor. This charming industrial-style loft welcomes guests with large windows, restored floorboards, a vintage bar, and a color-illuminated ceiling.

BALLONI PAVILLON | SIDE EVENTS

Our 200 m² annex, the Pavillon, is available as an additional space within a booking of the BALLONI Halle or the BALLONI Saal. It stands out thanks to its bright, modern ambiance.

BALLONI BISTRO | SIDE EVENTS

Our 60 m² bistro is available as an additional space within a booking of the BALLONI Halle or the BALLONI Saal. Here, too, the distinctive industrial character of our location is evident.
